Easter Issue

John Buchanan

Chairman, Central Region

Hello all,

Firstly - Easter Greetings to you and yours. It is the time of the year when we look forward to warm fireplaces and similar creature comforts.

Alex Garrett and I had a very successful reconnoitre through the Central Taranaki district and across to Taumarunui, via the Forgotten Highway a few weeks ago - a most enjoyable day .

Our mission was to map out, time and plan the route, to be part of the Central Region A.G.M weekend, in Taranaki this year, tentatively in mid- November.

The First day of the Weekend is planned to be in the New Plymouth area with a stop over there and next day Taumarunui via the Forgotten Highway.

Things are still in the planning stage but there will be interesting car collections along with historic places to visit so it should be a most enjoyable time.
